"Babies for Export" Case

Trio Will Appear On Joint Charge In Court Tuesday

Jack Kent Cooke, Toronto, publisher of New Liberty magazine; Harold Dingman, Ottawa writer for the magazine, and Dr. Charlotte Whitton, Ottawa welfare expert, will be joint defendants in a conspiracy to commit libel when they appear in a police court here Tuesday morning.

Mr. Cooke arrived in Edmonton yesterday night and it is expected that Mr. Dingman, his attorney, will be here Monday. His train has been delayed by a derailment at Guelph, Ontario, and the sister travel together on the prairies.

If he does not arrive in time to look up with his solicitors prior to the opening of court Tuesday, and adjournment application by his counsel will be opposed by the attorney-general's representative.

The preliminary hearing of the case will be adjourned to the court house, and it is understood that Magistrate H. L. Hawe, K.C., will preside.

Preliminary charges against the three accused persons were dismissed yesterday, but the attorney-general's department will charge them jointly in new informations and complaints.

MR. COOKE and Mr. Dingman, it was stated by a spokesman for

27 Lives Lost, Damage Heavy On Panay Isle

MANILA, Jan. 26.—(AP)—

—Another strong earthquake struck the Philippines island of Panay yesterday, killing 27 people, mostly miners, and causing heavy damage.

The city already had been damaged heavily and 27 deaths were reported in a series of heavy quakes which rocked it over a period of four hours before dawn Saturday, according to secondary shocks which continued up to noon today.

The newest tremors terrorized a population who are nerves already were at the breaking point.

Howe Says Outlook Good

Manufacturers Assist In Canada Recovery

TORONTO, Jan. 26.—(CP)—Almost every Canadian manufacturer has a plan for bringing his own industry into better balance in the drive to overcome Canada's trade deficiency with the United States, Trade Minister Howe said in an address to the Ontario division of the Canadian Manufacturers Association.

Some HAVE ARRANGED with their American associates to manufacture parts for their Canadian plants for new export territories for finished goods in the United States areas. Others have arranged with their American partners to have the manufacture in Canada of parts formerly imported.

"The outlook ahead of us for 1948

is good. The outlook for our manufacturers should remain buoyant, in the United States as well as Europe. The rate of contracts with American companies will be the bulk of our agricultural production, while any surplus will find favorable markets in the United States," said Mr. Howe.

He added, "Our Canadian producers will in turn create paper products, and base metals and the income that Canadians will receive will be well maintained.

"The need for our manufacturers to expand into the Canadian market is still there, especially in the field of agriculture, and we must be imaginative, confident and bold approach on the part of Canadian industry."

He was tried on a charge of violating the Smith Act, which the U.S. Congress passed in 1940 to curb power. It was the second time the government had sought and failed to convict the AFL union boss.

Earthquakes

of separated mothers and children as thousands scampered into open spaces.

Many prepared to camp the remainder of the night rather than return to buildings where they feared the quake-damaged walls might collapse.

Previously many of the city's 100,000 residents had fled to the countryside.

Possibility of a higher fatality toll was indicated. Meager reports from the interior said that families were buried by a high landslide at Hualin on the southwestern coast.

SEVENTEEN SHOCKS were recorded at the important port city of Iquio on Panay, and each of the hypocenters was so strong that houses often came into still greater danger in the street.

Yesterdays' quake paralyzed overland traffic and exposed water mains in Iquio. In one suburb a deep gash in the ground three feet wide was reported sending geyser of water and black sand as high as nearby coconut palms.

The scene the 12 hours after the first terrible shock Jesus Basilio, a local Times correspondent, wrote:

"A two-minute quake is rocking Iquio. The main shock, running bell-mall into the streets, a woman hysterically screams as she leads her child: 'Mothers are coming! Oh, God, Oh, God, of God, could this be the end?'

ONE AUSTRALIAN, ALFRED COOKE, an English-speaking Australian communist and one unidentified American were reported among the dead.

Patay, Negros, Cebu, Leyte and Marinduque islands all were jolted, but Panay on the basis of early reports was the most severely shaken. A port of 125,000 population, noted for sugar, rum and copra exports, is 200 miles southeast of Manila.

The public works department in Manila said estimated damage was \$500,000—mostly in areas devastated by a Christmas typhoon which caused the deaths of 1,000 persons on the Dantosh motorship.

FALLING DEBRIS from major buildings caused most of the fatalities. One man died as he knelt to pray in a church. In a cathedral, an Indian subhurti and an American and four Filipinos were reported crushed by falling walls on a downed structure. Four men were buried in the collapse of a six-story cathedral belfry that collapsed under its own weight but remained standing after it was cut out after four hours frantic work.

Edmonton Philharmonic

Marked Improvement Evident in Program

A near capacity audience at the Strand Theatre Sunday evening witnessed the improvement in the Edmonton Philharmonic Orchestra at its third concert of the season. The performance was not without fault but the result of diligent study was in evidence throughout the program. Abe Fratkin conducted at the performance.

MR. RALPH WILSON, well known soloist, sang an aria from "Samson and Delilah, O Love From The Power." In "Saint-Saens and Victor Herbert," Mr. Wilson has an unusually lovely and rich voice, and her technique leaves much to be desired. The lack of emotional feeling seemed evident in her numbers, particularly in the more dramatic scenes.

The opening number, "Lester Frost," gave the opportunity for the strings to exhibit their skill. In this selection Mr. Fratkin had the orchestra working together well, bringing out the themes with melodic solidarity.

The beautiful Andante Cantabile movement of "Technicolor Symphony No. 5" was disappointing on the whole. The haunting lovely melody was heard but the strings did not bring out the melody at all.

THE ORCHESTRA was happier with Luigi's Ballet Epiglyptine, a light and gay piece consisting of four different types of dances. The exotic melody of the Bedouin Dance was well done, and repeated in the Ritual Dance. Careful shading was in evidence in the third part of the ballet, a piano. There were ragged parts

throughout the number, but these were detracted little from the enjoyable performance.

The orchestra exhibited a tendency to run away with the melody at times, as in "The Rhapsody" of "The Merry Widow." Mr. Wilson has an unusually lovely and rich voice, and her technique leaves much to be desired. The lack of emotional feeling seemed evident in her numbers, particularly in the more dramatic scenes.

IN THE POLKA and the Dance of the Comedians from the "Barber of Seville" the orchestra was at its best. Great balance and coordination were evident in the Sustained notes and the fast melody of the strings in the Dance of the Comedians.

The "Gavotte" proved a most enjoyable variation to the evening, in it the orchestra showed more than adequate coordination and efficiency. Mr. Fratkin is to be commended on the generally high quality of the performance.

Deserving of special mention is the solo work done on the flute, the oboe and the clarinet in some of the selections played.—G. O.

Travelling Rule School

Railway Safety Car Cuts Down Accidents

Canadian Pacific Railway's new and modern safety car, used to educate employees of the CPR in the rules of safety, was in Edmonton for a one-day stop Saturday.

The CAR, a converted hospital⁹ which is greatly equipped for its new purpose, is on the return trip of a safety campaign which has been conducted by the head of the lakes for the Pacific coast.

The car, under the supervision of E. A. Guertin, general safety agent for the CPR in Western Canada, who gives a detailed account of the car's work.

Two items Mr. Guertin stressed, although they are not unique to the car, are the prevention of cross accidents and trespassing on railway property. He said that the railroads, on engineers taking the preventive steps of marking to crossings to make certain motorists are aware of approaching trains, and the use of the engine of an automobile in preventing this type of accident.

Travelling the safety car, Mr. Guertin said, is far more serious than most people realize. He said that the car has been driven to play near the railway tracks and every year there are a number of youngsters who are killed or maimed by the parents from trespassing on this kind of property.

IN REGARD to the safety of the CPR employees, Mr. Guertin stated that the number of accidents, though still high, are decreasing every year because of the effect of the safety car and the improved equipment used.

Since the opening of the car, safety car fans four years ago, Mr. Guertin said, the rate of injury among employees has decreased in the west.

At Annual Meeting
Scouts' Work Praised
In Address by Manning

Purpose, preparation, practice and perseverance are four essentials to success in life. Premier Ernest Manning declared in Red Deer Saturday, when he spoke at 24th annual meeting of the Alberta provincial council, Boy Scouts Association. Some 200 delegates attended the meeting.

MR. MANNING SAID the scouting movement is unique in that it is a service to society, to the nation, to the world. He said that knowledge and experience will be applied not only for self-help, but to help mankind.

He told the delegates in these times of trouble it was of great importance to underwrite the work of the scouts. On young men and women of today would fall responsibility for dealing with the problems confronting life in tomorrow.

It was a privilege and obligation of all to be of service, he said, and added that these young people were equipped to handle the problems before them. He said that the scouts were the best prepared to lead the world toward this end than the Boy Scout movement.

To be genuinely successful in any undertaking, one must first have a positive and definite purpose, the premier said.

"In the Scout movement young men are given the opportunity to develop their physical, mental, spiritual, worthwhile and constructive . . . an ambition higher than self-satisfaction," he said.

"In much of our educational work today there is a lack of young people who are passing through a course of training just because it would be a nice thing to know, Mr. Manning said.

"THE MORE WE PASS responsibility for facing our own problems to others, the less we realize the strength of our own personality," he said.

Wallet, Cheque Reported Stolen

A robbery was Saturday night entered the room of Charles Skremkowick, Clandonald, a city man, in a house on 102 street containing 1000. Skremkowick reported to city police that he had left his room door open while after a short time he had left his wallet in his trousers pocket.

While asleep on a bench in a den, he awoke with the melody of "The Rhapsody in Blue" by George Drury, Calgary, reported his shirt pocket was picked and a radio, radio value \$20, the property of William Levine, Edmonton, was taken from Mr. Levine's pocket. He had left the door of the auto open.

Mrs. J. W. Hugill Is Dead in City

Mrs. John W. Hugill, wife of a former attorney-general of the province, died on Saturday in a city hospital. She was 71 years old. She is survived by her husband, 11154 83 street; one son, Maj. John H. Hugill, 11154 83 street; Dr. Jean Hugill of Vancouver and Miss Helen H. Hugill of Edmonton. Mrs. Hugill was born at Smith Falls, Ont., only daughter of Mr. and Mrs. Allan Temperton. She first came to the West in 1912 to live with her son in Calgary. She had been educated at Ottawa Ladies' College.

She had a first residence in Edmonton in 1919 and, after her marriage to Mr. Hugill, had been active in the church and in nurses' activities. She was a charter member of the Association of Registered Nurses of Alberta and a member of the Victorian Order of Nurses and of the Women's Hostel.

She was a member of the Women's Club and the University Women's Club.

She later returned to the west and in 1933 married Mr. Hugill, who had been a member of the church in which she was a member.

Funeral services will be held at 1 p.m. Saturday at St. Bridget's Chapel on Tuesday at 2 p.m.

The Rev. W. E. Harrison and Rev. W. E. Hartley will officiate. Interment will be made Wednesday at Banff.

Calls for Active Church Support

PONOKA, Jan. 26.—In his report to the annual meeting of the church here, Rev. F. A. Peck, vicar of the church and rural Dean of Wetaskiwin, called for the loyalty and active support of all members.

Dean Peck said the church exists primarily for the spreading of the Gospel.

"The members are spreading the cause because they have a desire to do so, and the support and interest of every member of the church do no other."

To expect the parish priest to be responsible for the work of evangelization is to court failure and disaster, he stated.

The Vicar concluded upon the need for a definite long-term building policy and explained the importance of the church in the Christian school. Under these proposals it is hoped to teach subject matter through the use of radio and use of audio-visual aids. These changes indicated the need for the church to be reconceived.

P. B. H. Thompson, treasurer, presented the financial statement, and B. S. Scott reported on the Rectory Fund account. Report of the principal organization was presented.

Mr. Scott is Vicar's Warden for the year 1948. The Vicar's Warden was elected. Members elected were T. W. MacLean, Mrs. MacLean and Mrs. B. H. Thompson.

The meeting closed with refreshments and films.

Pioneer City Resident Dead

Mrs. Louise Wharton, plowed Edmonton resident who came to Canada with her husband, the late George Henry Wharton, in 1892, died here Sunday, Jan. 24 at the age of 80 years.

Mr. Wharton was a pioneer of the City of Edmonton Recreation Commission, will speak on "The Story of Planned Extra-Curricular Activities."

Home School Meet

Mountain Home and School Association will hold its regular annual meeting Saturday, Jan. 26 at 1 p.m. in the Westminster community hall.

Mr. MacLean, superintendent of the City of Edmonton Recreation Commission, will speak on "The Story of Planned Extra-Curricular Activities."

HAROLD DEAN, Sports Editor

ADDITION of Doug Lane to the Flyer roster became a distinct possibility during the week-end. Doug, defenceman with the Edmonton club two seasons ago, arrived home yesterday.

With Lane and that further discussion was scheduled for this morning.

"Doug would like to line up with us and we are trying to get him in," said Currie. "I am sure sure it can be arranged. Our defense is working well now, but I think we should have Lane in insurance."

Lane, with St. Louis Flyers this season, was out for some time with a bruised knee, but he has been working out regularly and shouldn't have too much difficulty getting back into shape for a rearguard with the Flyers. St. Louis gave him an out-right release, but it will be necessary to secure reinstatement before he can play in the western circuit. League approval also will be required.

"The Boys Were Really Fighting"

CURRIE was still chuckling just a little over the result obtained by Flyers against Stampeders at Calgary last night. "Rolling well and so did the whole team," said Frank. "The boys were really fighting. Naturally we never expected a shutout, but we thought we had a fifty-fifty chance."

In addition to securing the first shutout of the season in the senior circuit, Rollins also has the satisfaction of "getting back" at Stampeders for Saturday night's 2-0 deal, marked the initial Flyer victory on Calgary during the past month.

Locally, Edmonton and Stamps on their home pond only once last season and it also was a shutout, Ken McAuley blanking the Calgarians 1-0 on Feb. 8. Flyers and Stamps had played to a 4-4 draw in Calgary on the previous Dec. 18.

Flyers Go to Saskatoon Tonight

FLYERS' "kid line" continues to toss kyo punches and the fact all three members of the trio were Anderson, Cleves and McNaull may play well together, but we have the knack of knowing our own men, said Ken.

Back-checking of Anderson and Merikul has been very damaging and even Cleves is doing his bit, in addition to being the "Handy Andy" when goal opportunities are in the offing.

Edmonton's Merikul was watched very closely in Calgary and as the league's leading point getter failed to add to his total. Only enough, runner-up Al McDougal was dealt the same hand at Lethbridge.

Flyers leave tonight for Saskatoon where they play Tuesday, after going to Regina for a date with Cape Wednesdays. Carl Currie left last night the same team as played against Calgary and in the Regina game Friday, would be making the trip.

Granite Plays Outside Rinks

Members of the Granite Club entertained curlers from eight outside rinks Saturday night, and after the curling, a buffet supper was served in the clubhouse. Following is the curling results: Hills 11; St. Louis 13, Albermarle 11; Estevan 15, Moose Jaw 12; Tofield 11; St. Albert 12, Lethbridge 10; Cochrane 12, Delamere 10, Thorh 10 (tie); Rivers 12, Stony Plain 10.

Gil Dodds Sets Another Record

BOSTON, Jan. 26.—(AP)—Gil Dodds, the "Flying Parson," Saturday up the January mile record in the Boston Marathon in 4:08.4 to win the Knights of Columbus feature by more than 50 yards over Bill Hillis of the New York Athletic Club before 11,078 racing-fest in Boston Garden.

The victory was Dodds' 29th straight since 1943.

South Side Edges EACs

Maple Leaf Juniors Tighten Junior Race

Ted Allard's smooth-passing Maple Leafs soared to victory in two of the three games at the Maple Leaf arena Saturday night, with the exception of the 9-4 in the first match of a City Junior Hockey League twin bill won by 500 rubid puck fans. In the second, South Side pulled a minor upset by taking a close 3-1 triumph over EACs.

The South Side-EACs encounter, a three-game series, was a thriller. Jack Bradshaw accounted for the losers' markers.

The results left EACs in first place with 11 points, while the South Siders went on the defensive and held the usually high-scoring EACs to a lone marker in the third session.

MAJOR HONORS in the South Siders' triumph went to Buddy Nunn, who was the star in front of the cage, turning back every EAC thrust except one.

It was the second straight pivot who sent South Side into a lead at the 9:56 mark of the initial stanza. Bill Gandy and Wayne Laubman, in the EAC net after completing literate George Ego's game, then was no other scoring in the duration of the game.

The SOUTH Siders continued to pack the power in the sandwich session, with the EACs in front, but the South Siders went on the defensive and held the usually high-scoring EACs to a lone marker in the third session.

THE SOUTH Siders continued to pack the power in the sandwich session, with the EACs in front, but the South Siders went on the defensive and held the usually high-scoring EACs to a lone marker in the third session.

In the curtain-raiser, Maple Leafs had an unusual displaying of the youthful qualities.

After 15 minutes of play told the story as Leds lost four times without the benefit of a single goal. The opponents' single during the remaining minutes, Canucks tallied the lone marker in the session, but were out-scored 4-2 in the final.

Ken Watson again paced the Leds with 10 points, while the other Elder Thomas combined with Don Perry and Jerry Hall to bulge the total to 34. Buddy Nunn was invincible.

Christiansen's Rink Captures Dentyne Trophy

Mrs. A. Christiansen's Edmonton rink outlasted Mrs. W. Mowbray's quartet in the final of the Dentyne trophy competition Saturday noon to win 12-9 and bring the Northern Alberta Ladies' bonspiel to a close.

A FIVE-LENDER on the third was the deciding factor in the nip-and-tuck battle. Mrs. Mowbray had taken a 2-0 lead up to the fifth, then went ahead again with three in the fourth, but from that point on the Christiansens handily won five times to pull out the winner.

The box score:

Mrs. Mowbray 21 300 200—9 Mrs. Christian 100 005 012 110 011—12 Mrs. Christian 100 005 012 110 011—12

Locke Breezes Home With 67 to Win Open

PHOENIX, Ariz., Jan. 26.—(AP)—Stolid Bobby Locke of Johannesburg, South Africa, yesterday won a torrid, three-day golfing battle from colorful Jim Demaret of Ojai, Calif., and Lloyd Mangrum of Chicago when he came from behind on the final 18 holes to capture the \$10,000 Phoenix open golf championship, 67-67-67-67-67.

Since Leonard of Vancouver, B.C., had Gray of Toronto finished well down the list, the former winding up with a 20th-place tie.

LOCKE AND DEMARET posted six-under-par 65s the first day of the tournament, while Mangrum came in at 66-66-66-66-66. Mangrum had a three-stroke lead over the other two in the second round Saturday, and Locke had a two-stroke lead in the third round.

But Locke, on his second visit to the Phoenix course, had an easy, coolly eared a 34-33-67 on the 6578-yard Phoenix Country Club course in the final round yesterday afternoon.

Demaret also had a 67 in the morning round, but he was out in 34 in the afternoon. But he, too, got into one trouble on the back nine and took a 37, two over par, for an even 67.

THE CARDS:

Par out 334 444 534-36

Locke out 428 443 534-36

Demaret out 428 443 534-36

Demaret in 444 343 445-35-37

Locke in 34-33-67

Locke's sensational play established a competitive record for 72 holes over the country club layout, silencing the critics who had been calling Ben Hogan set in winning the tournament for the second straight time last year. Hogan, finding trouble, finished bracketed at 28 with a group of 10 players.

MANITOBA'S WEN HAD a 68 after the first day, finished in third place with 279, followed by Jim Ferrier, 280; Jim McRae, 281; John Palmer, Baden, N.C., 273.

Robert De Vincenzo, Buenos Aires, who played in the same match yesterday as Demaret and Mangrum, followed with 200-71-76.

Frank Stranahan of Toledo, O., led the amateur field with 200-70-70 on 708 and 200-69-69 yesterday. In the same bracket were professionals E. J. (Dutch) Harrison, Lexington, N.C., and Lawson Little, Cleveland, O.

Barbara Scott and Bob Goodfellow gave Canada victory in the three-person event.

CADOMIN MOVED into a 2-0 lead in the opening session of the Sunday afternoon, a meeting between Kwasyew and Stein from Michel, Canada, respectively, established a big lead.

The official Swiss tourist office advised yesterday that what celebrities are in town or due to arrive shortly, answered promptly.

Barbara Scott and Bob Goodfellow, after their first five-foot, four-inch victory, were the other winners.

Don Robertson and Cook from Kwasyew goals.

Wetaskiwin Wins Two at Cadomin

Wetaskiwin Canadians closed out Cadomin 3-2 and 3-2 in close-out evening hockey exhibitions at the Cadomin arena.

Bruno Pasqualotto's goal scored from John Michaluk gave Canadians the only marker of the first period, but the two teams squared accounts with the help of Leo Luchetti in the second.

Michaluk and Pasqualotto's second tally in which Vince LeCour and Bob Goodfellow gave Canadian victory in the third period.

Bruins Claw Rangers To Tie for Third Spot

BOSTON, Jan. 26.—(AP)—Spreading their scoring evenly, over three periods, Boston defeated New York Rangers, 6-6, to tie them for third place in the National Hockey League last night before a sellout 13,000 crowd. Woody Dumart sparked the Bruins with two goals, the first tally coming while they were playing short-handed.

The Bruins, now in the mid of the season, were twice scoreless in the first eight minutes. Rookie Ed Sanderson and Dumart scored on a breakaway while the team mate Wally Wilson was in the penalty box.

THE OPENING game, however, was a 2-2 tie for Tony Lemieux, Boston, and Jim Pappin, New York, in the first period.

The Bruins, now in the mid of the season, were twice scoreless in the first eight minutes. Rookie Ed Sanderson and Dumart scored on a breakaway while the team mate Wally Wilson was in the penalty box.

Remaining the Rangers started a determined effort to score, but the session went through him. Phil Watson slumped in a goal as Boston crease and Dumart's save power tactics enabled Edgar Moore to a knee injury, to convert Ed Moore's second assist of the game.

MISS MITCHELL won both the 45-yard and three-quarter mile events Saturday to amass a total of 150 points. Her near-perfect 100% in the 100-metre dash, plus a 100% in the 200-metre dash, gave her a total of 40 for two seconds.

Second was Miss Christine Kershner and third Bahia Kastning of Edmonton.

Coast Accepted By Grid Union

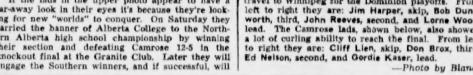

CALGARY, Jan. 26.—(CP)—Ex-players of the Canadian Inter-provincial Football Union into a four-team circuit appeared imminent yesterday when the officials announced that they had accepted a bid from Vancouver gridiron enthusiasts to team a three-time champion.

J. King of Vancouver, representing the West Coast gridiron, and Calaway, will be required to post similar guarantees. The money will be returned by the league at the end of the season.

Third Period: 1—Boston, Dumart (Trotter); 2—New York, Watson (Trotter); 3—Boston, Dumart (Trotter); 4—New York, Watson (Trotter); 5—Boston, Dumart (Trotter); 6—New York, Leprechaun (Trotter).

Seek Supreme Court Ruling on Contract

OTTAWA, Jan. 26.—(CP)—West coast coalmine operators petitioned the supreme court of Canada Saturday for a ruling on the validity of a notice of contract termination given them by the United Mine Workers of America (UMWA).

Mr. Justice Patrick Kerwin took under advisement the question of whether the miners' union could hold a hearing on the issue, after hearing the application opposed on behalf of the union.

The miners, whose mines are tied up by a strike of 10,000 men, are asking the court to rule on the legality of the miners' notice to terminate their contracts as of last Dec. 3. Normally, the 18-months' contract would run until March.

When the union originally served notice of agreement to terminate, this was rejected by the operators.

Mr. Justice Kerwin ruled the notice was invalid. The miners' application was rejected this decision. Later the operators were granted the right to ask the supreme court to rule to set aside the appeal court's ruling.

MONTREAL, Jan. 26.—(CP)—

One hundred and eighteen young couples met in St. Joseph's Oratory Friday night and in an armchair ceremony the couples ceremonially pledged themselves to live married lives that would win in favor of the church when they take their wedding vows.

The special service, organized by the Society of the Precious Blood, which the Roman Catholic church has set aside as the Feast of the Epiphany of the Blessed Virgin, May 12, and Saint Joseph, Hundreds of parents, brothers and sisters, and relatives attended the ceremony, which saw Abbé Charles Charbonneau bless the engagement ring.

Truck Overtures, Bush Worker Dies

ROCKY MOUNTAIN HOUSE, Alta., Jan. 26.—Dobert Uker, 22 years old, died Saturday in hospital here as the result of severe spinal injuries received Friday evening.

Uker, a bush worker in the Rockies, was driving a truck with seven companions when a truck coming from Rocky Mountain House, which had been stuck on the road and turned over, injured Uker. All the other occupants of the truck were saved. Uker was brought to hospital and died a short time later. An inquest will be held Saturday. The accident occurred about four miles out of town.

Uker had not been at the camp long and nothing is known immediately as to his relatives.

Three-year search for freedom ended in Canada for 23 Estonians who are home at Kitchener, Ont., after a 5,800-mile voyage and a three-month internment on Ellis Island. Oswald Mets smokes a Swedish pipe, which holds a cigarette.

Happy voyagers who made the remarkable three-month ocean trip in the 43-foot ketch, Edith, included Mr. and Mrs. Ernst Lohmans.

The party went to St. Peter's Lutheran church for supper and were given a rousing welcome.

Blond seaman who led his countrymen and women to Canada via Sweden, Belgium, England, U.S., is Ludwig Taisne, ketch owner.

The Coming Russian Terror

By Stanislaw Mikolajczyk—Former Prime Minister of Poland and President of the Polish People's Party

Installment XIX

In today's installment Stanislaw Mikolajczyk reveals how he had hurriedly with Churchill against the latter's insistence that Poland accept the Curzon line as its Russian boundary—with Poland's consent but as a possible American loan "without interest." EDITOR.

In view of what has subsequently happened in Poland, my efforts in Moscow in 1944 to save our land and sovereignty, which had been imperiled by the secret agreements of Teheran, take on considerable significance.

CHURCHILL AND Roosevelt—A veritable promise of future of land from Germany and a similar promise about the future political independence of what would be Poland.

HE BLAMED ME not for appealing to the Russians early in 1944, when there was a hint that the Curzon line East had made a number of notable statements about refusing to recognize territories of Poland.

They had yielded completely to the demands of the Soviet Union and at their Teheran Conference they agreed to split Poland, through the middle, into two parts.

But Stalin's will pre-empted.

When I refused to become a party to the deal at Teheran in October 1944 Churchill became very angry at me. In a series of conferences, aimed at solving the Polish question, he turned to the Lublin Committee of Polish Government in Exile.

"How near we got at the beginning of the year!" Churchill stormed.

"You lost our fate at Teheran," I said.

"Poland was saved at Teheran," he shouted.

"I am not a person whose patriotism is diluted enough to force me

to give up half of my country."

He replied: "UNLESS YOU ACCEPT THE CURZON LINE AS THE POLISH BORDER, YOU ARE OUT OF BUSINESS FOREVER."

CHURCHILL TOLD HIM OF THE ATLANTIC CHARTER AND THE PAST PACTS AND PROMISES MADE TO SUCH STATES AS POLAND.

"I SHALL TELL PARLIAMENT THAT I HAVE AGREED WITH STALIN," Churchill said. "OUR RELATIONS WITH RUSSIA ARE MUCH BETTER THAN THEY HAVE EVER BEEN. I TALKED WITH STALIN AND HE SEEMED TO ENTERTAIN THE HOPE THAT AFTER THE DEFEAT OF THE GERMAN NAZIS THE RUSSIANS WILL THEN BE ON THE VICTORY."

"THIS IS CRAZY. YOU CANNOT DEFEND THE RUSSIAN LINE BECAUSE YOU ARE UPSET OVER THE FRONTIER. SUPPOSE YOU LOSE THE SUPPORT OF SOME OF THE POLISH PEOPLE? WHAT WILL YOU DO?"

CHURCHILL TOLD HIM: "THE AMERICANS WILL BE WITH YOU. CHURCHILL HAS TALKED WITH THE AMERICANS."

HE SHOOK MY HEAD AND I TOLD HIM: "THIS IS MADNESS."

"THEN I WASH MY HANDS OF THIS," he said. "WE ARE NOT GOING TO WRECK THE PEACE TREATY. IN YOUR POSITION YOU DO NOT WANT TO GET INVOLVED IN A WAR AT STAKE. IT IS NOT IN FRIENDSHIP WITH AMERICANS THAT WE SHALL FIGHT. WE ARE GOING TO HAVE A DIFFERENT LINE. YOU HAVE TO WIN."

HE SEEMED TO MEAN THAT WE WOULD WIN. I TALKED WITH THE POLISH GOVERNMENT IN EXILE.

"YOU ARE GOING TO WIN," he said. "YOU ARE CALLOUS IF YOU WANT TO WRECK EUROPE. I SHALL LEAVE YOU TO YOUR OWN DESTINIES."

Heavy Fines for Illegal Hunting

EDMONTON, Alta., Jan. 26.—(UPI)—Two men were convicted Saturday and fined for shooting big-game out of season. John Shepley of Lacombe was sentenced to six months and 10 days in prison when he was found guilty of the 10-year-imposed on four charges laid under the game act. Lawrence Hunt, also of Lacombe was fined \$100 and costs on two charges.

The arrests resulted from complaints from citizens in the restricted park area about five miles west of La-combe against illegal shooting of deer and snaring of coyotes.

Windfields Scores Big Racing Upset

ALBUQUERQUE, Calif., Jan. 26.—(AP)—Windfields, an American-owned five-year-old owned by E. P. Taylor of Toronto, scored a stunning upset Saturday in the \$10,000 race for champions from abroad. Endeavor II of Argentina and Shannon II of Ireland were the second and third to cross the finish line at Santa Anita, before 45,500 fans.

May REWARD scored another upset Saturday morning the main event, the 30,000-dollar Felipe Stakes, in which the \$10,000 Santa Anita handicap and on Saturday's form will be strong contenders in the Golden Gallop Feb. 1.

The greater the expert, the greater is his ability to commit a blunder. The more time he has to count today's hand down, provided you cover the East and West cards.

As soon as the opening lead is made you know you have the two best tricks, four spade tricks, a five club trick, a six diamond trick, eight tricks. If the club finesse works, nine. If not, you might call it hand but you will want to know why you did not count the hand down and play it correctly.

The blunder is made when you allowed to ride to South's queen,

Lujack Signs Pro Football Contract

CHICAGO, Jan. 26.—(UPI)—Johnny Lujack, Notre Dame's famed quarterback, twice consecutively named for all-American honors, Saturday signed a four-year contract to play professional football with Chicago Bears of the National Football League.

The Bears also signed George Gilmore, Miami's All-American tackle, All-American in 1946, and a three-year veteran.

The 22-year-old Lujack, a recent graduate of Notre Dame, signed a \$10,000-a-year for a salary of \$18,000 in \$20,000 a year, plus \$2,000 bonus.

Colchester Upsets Soccer Cup Dope

LONDON, Jan. 26.—(UPI)—The M. L. Humphries of Prince Albert, Saskatchewan, is expected to be a major threat in the 1947 Canadian playoffs this year, and to form major opposition to the 1946 champion, who ended here Saturday night.

Lossing II victories against one defeat to the Union Tractor primary competition and the Gas Tractor, who beat the Saskatchewan doctor also carried away the coveted Grand Aggregate award of the Visitation's aggregate champion.

RUNNER-UP in both categories was Victoria and a single victory was won by Huie Gandy of Galt, Alta., who captured the Bantam division competition.

Humphries will be coached by Jack Brower, Dr. Gordon Howard and S. F. Reed, while the independent Union Tractor, from Victoria, went away 14-4 more from F. J. Graham of Calgary. He was forced to give up the final game because of a sprained ankle, and the team finished with a 10-10 record.

Colchester, conquerors of mighty Huddersfield Town in the last round, came from behind to equal the record of the 1946 winners, who had a 10-10 record.

Colchester, the four-time defending champion, beat the visiting grand hockey club 6-4.

COLCHESTER, Jan. 26.—(UPI)—Tommy LAWTON and his Notts County team eliminated 1-0 by SWINDON Town.

Only one of the 10 will need to repeat its victory, but Walsall, Darlaston and Everton could break a 3-3 deadlock in overtime and will clash again Monday.

CLIPPERS added three more in the second to enter the final chapter on a 5-1 contest.

Walsall, the 1946 champion, Native Sons brought the score to 4-3 with four minutes remaining but then had to wait 10 minutes to see it go away at the 18-48 mark. Final nine points of play saw Jeffreys Nick and Tom Harkness, both of Huddersfield, 10-27.

CLIPPERS, first to the 1946 final, 10-24, had a 1-1 lead, but Native Sons had a 10-10 record.

CLIPPERS, 35-year-old native of Liverpool, Ga., hit 51 home runs this year to lead the Major League in home runs.

He will be presented with the Bill Mercer Memorial trophy at the Clippers' 25th annual dinner here Feb. 1.

CLIFFS ESTABLISHED a two-man team last year, and last year, with a team of three, a single team of five diamonds and four clubs. It is now perfectly safe to throw East in the West with a diamond, because all he can do is to lead a diamond trick, that lead a club.

Thus by counting the hand

one can forward his lead to the

West, and he can always lead

out of this point, therefore you

know that East has five diamonds from dummy, the queen, then one club, and the West has the small spade to the ace and return to your hand by leading a small spade.

If East has four spades you will

hand, and if he has two clubs

and a perfect count on the East hand—three spades, a single club, five diamonds and four clubs. It is now perfectly
